

FOREST MANAGEMENT PLAN 2014–23

5553. Hon Sally Talbot to the Minister for Mental Health representing the Minister for Environment

I refer to the new Forest Management Plan being developed for the period January 2014 to December 2023, and I ask —

- (1) Is the area to be included in the Forest Management Plan 2014–23 the same as the area within the current Forest Management Plan 2004–2013?
- (2) If no to (1), has the new area for the Forest Management Plan 2014–23 been determined and will the Minister provide details, including a map, of the proposed area?

Hon HELEN MORTON replied:

- (1) No.
- (2) I refer the Hon Member to the recently published Forest Management Plan 2014 —2023 Environmental Scoping Document (ESD) which contains a map of the area covered by the proposed plan. The ESD is available from the Conservation Commission of Western Australia's website at [www.conservation.wa.gov.au](http://www.conservation.wa.gov.au). [See paper 4612.]
