

GOVERNMENT VEHICLES, PRIVATELY PLATED

960. Mr D.F. Barron-Sullivan to the Minister for Health

Will the Minister provide -

- (a) details of all officers (including their classification level), within all agencies and statutory bodies that come under your ministerial jurisdiction, who have use of a privately plated vehicle as at 31 January 2003;
- (b) the reason why each officer has access to a privately plated vehicle;
- (c) the details of each privately plated vehicle allocated to each of these officers, including make, model and a full list of additional extras and options applicable to each vehicle; and
- (d) the details of the annual leasing, hiring or purchase costs applicable to each of these privately plated vehicles?

Mr R.C. KUCERA replied:

The information being sought by the member is not readily available.

I would advise that information systems used in agencies are designed to address operational and statutory requirements and don't necessarily facilitate the ready provision of information being sought by the member.

However, if the member has a particular issue of concern, I would be pleased to consider arranging for the agency to provide information on that specific issue.
