

INDIAN OCEAN DRIVE, ENVIRONMENTAL ASSESSMENTS

972. Hon DERRICK TOMLINSON to the parliamentary secretary representing the Minister for Planning and Infrastructure:

- (1) Have environmental assessments for the construction of the final phase of Indian Ocean Drive from Lancelin to Cervantes been completed?
- (2) If yes, has environmental clearance been granted for the construction project?
- (3) If no, why have those clearances not been granted?

Hon G.T. GIFFARD replied:

I thank the member for some notice of this question.

- (1)-(3) The environmental assessments for this project are currently undergoing Environmental Protection Authority environmental impact assessment at public environmental review level. Main Roads is finalising responses to the issues raised in the PER submissions.
