

GOVERNMENT DEPARTMENTS AND AGENCIES, PUBLIC SECTOR STANDARDS COMMISSIONER  
SURVEY ON ETHICAL ISSUES

2660. Mrs C.L. Edwardes to the Premier

I refer the Premier to the Annual Compliance Report by the Office of Public Sector Standards Commissioner and ask -

- (a) which Departments and Agencies did the Public Sector Standards Commissioner survey to obtain results for ethical issues;
- (b) for each Department and Agency surveyed, how many employees were surveyed and how many responded;
- (c) will the Premier table copies of the survey questionnaire and the responses for each Department and Agency; and
- (d) if not, why not?

Dr G.I. GALLOP replied:

The information sought is not within my portfolio responsibilities. The Commissioner for Public Sector Standards informs me that the information required arises from her Independent Statutory Role. It is therefore inappropriate for the Premier to comment.

The Commissioner informs me she is happy to respond to questions from Mrs Edwardes.
