731. Mr A.P. O'GORMAN to the Minister for Local Government:

I have a supplementary question. The minister said in his response to my grievance that his department was producing a report, and his chief of staff has advised my office that his department provided him with that advice. Will he table that advice today?

Mr G.M. CASTRILLI replied:

I am not inclined to table that advice. It is advice to me. I will have a think about it, but my initial reaction is no. I will certainly have a think about it; and, if I think it is appropriate, I will do so. But at this time, my initial reaction is no.
