

CITY OF BELMONT INQUIRY, REPORT

**336. Hon DERRICK TOMLINSON to the Minister for Housing and Works:**

When last I inquired of the progress of the inquiry into the City of Belmont, the minister provided me with information that the report would be completed in October.

- (1) Has the minister received that report?
- (2) If yes to (1), has the minister released a copy of the report to the City of Belmont, or, alternatively, when does the minister expect to release a copy of the report to the city?
- (3) If the report has not been received, when does the minister now expect to receive the report?
- (4) Does the minister intend to publish that report?

**Hon TOM STEPHENS replied:**

- (1)-(4) No report on the City of Belmont has been drawn to my attention. Therefore, I presume that my office has not received the report that I previously advised would be completed by October. However, that report may have been received and my office may not yet have had the opportunity to draw it to my attention. I always wonder whether someone will come rushing through the door with a note to say that it has been received but that my office has not had a chance to go through it. I will make further inquiries and will advise on the stage that the report has reached once I have that information to hand.

I have just received advice that the report will now be completed by early November. The information I have been given is dated 5 November. I will read through the information to see what else I can tell members.
