

SMART ENERGY FOR SOCIAL HOUSING

1321. Hon Dr BRAD PETTITT to the parliamentary secretary representing the Minister for Energy:

I refer to the answer to question without notice 998, given by the minister on 12 September 2023, regarding the smart energy for social housing trial. What has been the average cost per dwelling for the 281 social housing dwellings that have had rooftop solar panel systems installed as part of the smart energy for social housing trial to date?

Hon MATTHEW SWINBOURN replied:

I thank the member for some notice of the question. The following answer has been provided to me by the Minister for Energy.

The average cost of installation per dwelling has been \$10 106.
