

CENTENNIAL PARK SPORTING PRECINCT — ALBANY

**624. Mr P.B. WATSON to the Minister for Sport and Recreation:**

I have a supplementary question. The previous Minister for Sport and Recreation —

**Mr B.J. Grylls** interjected.

**The SPEAKER:** Member for Pilbara, I call you to order for the first time.

**Mr P.B. WATSON:** I have just realised that the member for Pilbara is still alive!

The previous Minister for Sport and Recreation wrote a letter at the time the last lot of funding came out saying that we were next in line. The City of Albany is waiting for this development, as there are a lot of issues with it in Albany at the moment. The one thing the city really needs is the money and we continually get fobbed off. When are we going to get the money? No false promises!

**Ms M.J. DAVIES replied:**

As I said, since we came to government we have been very proud of the investment we have made into the sporting community. My answer to the member's supplementary question has not changed from the previous answer. I told the mayor, who asked me in a public forum, that it is under consideration. We have not yet reached the next state election and so there is no broken promise.

**Mr P.B. Watson** interjected.

**The SPEAKER:** Member for Albany, I call you to order for the first time. A quick answer, please, minister.

**Ms M.J. DAVIES:** I have finished, Mr Speaker.
