

WINTER SPRINKLER BAN

483. Hon ALISON XAMON to the parliamentary secretary representing the Minister for Water:

I refer to the winter sprinkler ban.

- (1) Does the minister intend to extend the winter sprinkler ban into spring?
- (2) When will the minister finally release the Gngara sustainability strategy report?

Hon HELEN MORTON replied:

I thank the honourable member for the question. I was not happy with the response that I received and I have asked for it to be redone. Please ask the question again tomorrow.

BULLYING IN SCHOOLS

2. Hon MATT BENSON-LIDHOLM to the minister representing the Minister for Education:

I ask this question in light of the increased incidence of bullying in Western Australian schools. For senior high schools and district high schools in regional WA —

- (1) How are students services structured and delivered?
- (2) How many full-time equivalent staff are allocated to student services?
- (3) What funds were allocated to student services in the areas of programs and FTE for the following financial years —
 - (a) 2008-09;
 - (b) 2009-10; and
 - (c) 2010-11?

Hon PETER COLLIER replied:

I thank the honourable member for some notice of this question. The information is not available in the time required, therefore I ask the honourable member to place this question on notice.
