

FREMANTLE TOURIST PRECINCT, SECURITY PATROLS, GOVERNMENT FUNDING

2821. Hon Nigel Hallett to the Leader of the House representing the Minister for Public Sector Management
- (1) From 1 July 2005 to date in the Fremantle Tourist precinct, do any Government Departments make a financial contribution for private security firms to patrol the area?
- (2) If yes to (1) above, -
- (a) which Departments make a financial contribution; and
- (b) what is that financial contribution?

Hon KIM CHANCE replied:

- (1)-(2) The Department of the Premier and Cabinet advises that it can find no record of any financial contribution made by the Department for private security firms to patrol the geographic area described by the Member. The Department is unable to provide an answer for all other Government departments and agencies. This information would have to be sought by the Member from each responsible Minister.
