

POLICE VEHICLES — COLLISIONS

18. Hon TJORN SIBMA to the minister representing the Minister for Police:

I refer to the number of police vehicles allegedly rammed over the last five years.

- (1) How many officers have been injured when the vehicle they were travelling in was hit by another vehicle?
- (2) How many of these officers have resumed frontline policing roles?
- (3) What charges, if any, were laid as a result of these collisions?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. The following information has been provided to me by the Minister for Police.

The Western Australia Police Force advise that a response to this question cannot be provided within the required time frame. The honourable member may wish to place the question on notice.
