

FORRESTFIELD–AIRPORT LINK — WORKPLACE HAZARDS

**435. Hon TJORN SIBMA to the minister representing the Minister for Industrial Relations:**

I refer to works on the Forrestfield–Airport Link project.

- (1) Has the minister or the minister's office ever been advised of any WorkSafe Western Australia–issued verbal direction, improvement notice and/or prohibition notice concerning workplace hazards?
- (2) If yes, what specific matters were brought to the attention of the minister and/or his office, and when and how was this advice transmitted?

**Hon ALANNAH MacTIERNAN replied:**

I thank the member for the question. I can assure him that I have taken this matter up with the Minister for Industrial Relations. The minister advises as follows.

- (1)–(2) Yes. However, due to the quantity and scope of information requested, it is not possible to provide an answer in the time given. I therefore ask that the honourable member place the question on notice.
