

BGC, CONCRETE PRODUCTS MANUFACTURING OPERATIONS

**190. Ms MacTIERNAN to the Minister for the Environment:**

I refer to the concrete products manufacturing operations that BGC constructed and operates in Hazelmere without planning approval.

- (1) Has BGC registered these plants as required under the Environmental Protection Act?
- (2) If yes, when were they registered?
- (3) If no, what action has been taken against BGC in respect of this failure?

**Mrs EDWARDES replied:**

- (1) Yes.
- (2) A registration was issued to BGC Concrete of 4 Bushmead Road, Hazelmere on 19 May 1998.
- (3) Not applicable.
