

FREMANTLE PORT — LEAD EXPORT

261. Hon MATT BENSON-LIDHOLM to the Minister for Environment:

I refer to the minister's media release of 2 February 2009 about the transport of lead through Fremantle in which the minister refers to an extension of the \$5 million security bond for proponents who fail to clean-up any lead spilt along the transport route.

- (1) Has this security bond been lodged?
- (2) If yes to (1), will the minister advise the house where the bond will be held?
- (3) If no to (1), why not?

Hon DONNA FARAGHER replied:

I thank the member for some notice of this question. I ask that he place the question on notice.
