

POLICE COMPUTER AIDED DISPATCH AND COMMUNICATIONS FACILITY

Mrs EDWARDES to the Minister for Planning and Infrastructure:

I ask a supplementary question. The minister has had on her desk for six or seven weeks the tender recommendation for this road to link to the new CADCOM facility. When will the minister sign that recommendation?

Ms MacTIERNAN replied:

I will sign it when I have confidence that the submissions that are being made to me by the Midland Redevelopment Authority can be relied on.
