

CHIROPRACTORS, DISCRIMINATION IN EMPLOYMENT

164. Mr M.F. Board to the Minister for Health

Has the Minister received complaints from the chiropractic representatives regarding discrimination concerning the employment of chiropractors within the WA public health system?

Mr R.C. KUCERA replied:

I am not aware of any complaints to me on this matter. However, I have, as a result of your question, just been advised that this matter has been raised with previous Ministers for Health and with the Department of Health prior to February 2001.
