

CHIROPRACTORS, ADVICE TO MINISTER

163. Mr M.F. Board to the Minister for Health

In the absence of liaison between chiropractors and the Minister, who advises the Minister about the needs of the WA Chiropractic community?

Mr R.C. KUCERA replied:

There is not an absence of liaison with chiropractors. Via written correspondence and contact with my Policy Advisers and Departmental Staff, members of the Chiropractic community have advised me of their needs and I hope they will continue to do so.
