

LANDGATE — PUBLIC SECTOR COMMISSION REVIEW

1013. Hon TJORN SIBMA to the minister representing the Minister for Lands:

I refer to the minister's refusal on 11 October to table the report of the Public Sector Commission into Landgate's management of perceived, potential or actual conflicts of interest during the establishment of Advara, until "the partial commercialisation of Landgate functions are further progressed".

- (1) How does the minister explain the connection between the establishment of Advara in 2015 and the McGowan government's decision this year to commercialise Landgate functions as justification for the decision not to release the PSC report at this time?
- (2) Has a copy of the report, in part or in whole, been provided to KPMG Australia, BIS Oxford Economics Pty Ltd or Stantons International?
- (3) If yes to (2), for what purpose was the report shared and who authorised that decision?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

- (1)–(2) As previously announced, options for the future of Advara are currently being considered concurrent to the partial commercialisation of Landgate's functions. Landgate has not provided a copy of the report to the above parties.
- (3) Not applicable.
