I thank the member for some notice of this question. Unfortunately I do not have a response. I do not know whether anyone else has the response in their file. In the event that it appears prior to the end of question time, I will —

Hon Barry House: The Minister for South West.

Hon LJILJANNA RAVLICH: Yes, Hon Mark McGowan. I do not have an answer. If an answer arrives before the end of question time, I will be happy to provide it.
