

DENTAL BOARD OF WESTERN AUSTRALIA

**187. Mr M.F. BOARD to the Minister for Health:**

As a supplementary question, and in view of the previous answer, is the minister unaware that the Australian Dental Association has written to him and has lobbied him for some time for the appointment of that board?

**Mr R.C. KUCERA replied:**

As I explained in my original answer, I am not aware of the current situation. I am aware that the Australian Dental Association has written to me. I am also aware that I have signed some letters of appointment to boards, but I am not aware of the situation with those letters of appointment.
