

SOMERVILLE DRIVE–BUSSELL HIGHWAY INTERSECTION

Petition

MR D.T. PUNCH (Bunbury) [12.22 pm]: I have a petition from 185 petitioners that conforms with standing orders regarding the fact that the Somerville Drive–Bussell Highway intersection is dangerous, where there has been one fatality in recent years and several accidents causing serious injury to those involved in traffic crashes at this intersection. The petition requests that Main Roads Western Australia be instructed to reduce the speed limit from 80 kilometres an hour to 60 kilometres an hour from the Bunbury Hospital at South West Health Campus exit–entry point on Bussell Highway to a point 200 metres south of Somerville Drive on both carriageways in the interests of safety and saving lives on our roads.

[See petition 9.]
