I refer to the exemptions to the G2G Pass since inception, and I ask:

- (a) How many interventions have you made or requested regarding the G2G Pass system to assist:
 - (i) residents returning to Western Australia;
 - (ii) new residents relocating from interstate;
 - (iii) lobbyists or stakeholders in your portfolio;
 - (iv) related family;
 - (v) related family of Members of Parliament requested by Members of Parliament; and
 - (vi) other;
- (b) For those in (a), how many of those interventions were made after the Minister received a formal request; and
- (c) How many times have you declared a conflict of interest with any decision falling under your remit as a Minister of the Crown:
 - (i) Please detail the reason of the conflict of interest and the date it was declared?

Mr P. Papalia replied:

The G2G application process is undertaken independently by the Western Australia Police Force. Members of Parliament, the public and other stakeholders who contact my office have their correspondence referred to the WA Police Force for advice and response provided by the WA Police Force.
