

WATER CORPORATION — STRATEGIC DEVELOPMENT PLAN — SEWER RENEWAL PROJECTS

3274. Mr D.J. Kelly to the Minister for Water:

I refer to page 18 of the *Water Corporation's Strategic Development Plan 2014/15 to 2018/19*, and I ask:

- (a) which sewer renewal projects have been restricted to a critical asset renewal focus as part of the \$8 million savings measure; and
- (b) what is the estimated cost difference in the whole of life cost as a result of this deferral?

Ms M.J. Davies replied:

- (a)–(b) The figures outlined on page 18 of the Strategic Development Plan are indicative and used for planning purposes only.

The Water Corporation's capital investment program is regularly reprioritised due to changing consumption patterns, population growth and unforeseen circumstances.
