

JANDAKOT WATER MOUND — BOUNDARY REVIEW

4102. Ms M.M. Quirk to the Minister for Water:

I refer to a request from the Member for Jandakot to the Minister for Water on 26 May 2008, for a review of the boundaries of the Jandakot Water Mound to allow for residential development in the locality of Banjup, and ask the Minister whether any such review has taken place, and if not, why not:

- (a) if a review was undertaken, what was the outcome of the review; and
- (b) if no review has yet been undertaken, can the Minister please advise whether there are plans for such a review, and if so, when that review is likely to be completed?

Ms M.J. Davies replied:

- (a) Following a review of *Statement of Planning Policy No. 2.3 - Jandakot Groundwater Protection Policy* by the Western Australian Planning Commission with technical advice from the Department of Water, the current external boundaries of the Jandakot Underground Water Pollution Control Area have not changed.
- (b) There are no plans for further review.
