

COMMUNITY STANDARDS AND MORAL VALUES, PROTECTION

Petition

Mrs Edwardes presented the following petition bearing the signatures of 789 persons -

To the Honourable the Speaker and members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say that everything possible should be done through the range of Western Australia's censorship laws to ensure the maintenance of community standards and values, especially insofar as they are concerned with making the protection of our children a priority.

Now we ask that the Legislative Assembly support all action which will assist in the attainment of this objective and resist any moves to weaken community standards and moral values.
