

HARDING RIVER DAM

Petition

Mr Riebeling presented the following petition bearing the signatures of 509 persons -

To the Honourable the Speaker and members of the Legislative Assembly in Parliament assembled.

We, the undersigned residents of Karratha, Dampier, Roebourne, Wickham and Point Samson call upon the State Government to discontinue the use of Harding Dam water until the level of trihalomethanes from the dam are safer.

Now we ask that the Legislative Assembly urgently consider this matter.

Your petitioners therefore humbly pray that you will give this matter earnest consideration and your petitioners, as in duty bound, will ever pray.
