

WASTE — LANDFILL SITES

**719. Hon TJORN SIBMA to the minister representing the Minister for Environment:**

I have changed questions, because I want to ask a question that might not invite such an extensive response! The question is dated last Thursday, 11 August.

I refer to current waste management facilities.

- (1) How many landfill sites, both lined and unlined, are licensed to operate on the Swan coastal plain?
- (2) Where are the above sites located, and when are their licences due for expiry or renewal?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question. It was a good choice; it is not a long answer! I provide this answer on behalf of the Minister for Environment.

The production of this information will divert staff resources from their usual work, and it is not possible to provide the information requested in the time frame. I request that the member place this question on notice.
