

CENTRAL WAIT LIST BUREAU, FUNDING

659. Mr BOARD to the Minister for Health:

The minister said there were no plans to cut funding to the Central Wait List Bureau. However, we understand that its funding has already been cut by at least \$12 million. Will the minister confirm that?

Mr KUCERA replied:

Obviously, the member for Murdoch has some kind of leaked report or document.

Mr Barnett: It is the truth.

Mr KUCERA: Those kinds of documents, which emanate from across the whole of government, may contain some of those issues. I have no idea from where that information comes.

Several members interjected.

Mr KUCERA: The wait list bureau has received its normal funding.
