

METRONET — PUBLIC TRANSPORT AUTHORITY OPERATING SUBSIDY

574. Hon TJORN SIBMA to the Leader of the House representing the Minister for Transport:

I note the \$1.2 billion Public Transport Authority operating subsidy to be paid in the 2023–24 budget year, which is referred to on page 298 of budget paper No 3.

- (1) What proportion of this amount relates to Metronet projects?
- (2) What is the forecast PTA operating subsidy for each of the budget out years?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) Costs incurred by government for the provision of public transport in Western Australia are not broken down to individual train lines or individual bus routes.
- (2) Operating subsidies are available in the 2023–24 budget papers.
