

BUSSELTON FORESHORE REDEVELOPMENT

690. Hon BARRY HOUSE to the Leader of the House representing the Minister for South West:

I refer to the government's proposed redevelopment of the Busselton foreshore, in particular the following parcels of land: Kookaburra Caravan Park 1, item 20 on the published plan; Kookaburra Caravan Park 2, item 21 on the published plan; Kookaburra Caravan Park 3, item 22 on the published plan; Churchill Park, item 26 on the published plan; and Barnard Park, item 24 on the published plan.

- (1) What are current approved uses for each of the above reserves under the existing vesting, management or control orders?
- (2) What is the title status of each of the above reserves?
- (3) Will the proposed transfer of the above reserves to freehold land, where applicable, require the approval of Parliament?
- (4) If yes, by what processes will the approval for each reserve be sought?

Hon KIM CHANCE replied:

I thank Hon Barry House for some notice of this question. Clearly, this is quite an involved question. Information is not available at this stage to answer it. I suggest that the member either place the question on notice, or ask the same question later in the week.

Hon Barry House: I will put it on notice.
