

STATE INFRASTRUCTURE STRATEGY

753. Hon TJORN SIBMA to the Leader of the House representing the Minister for Transport:

I refer to the rail growth plan. Would the minister please table the plan?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question. The rail growth plan is an internal working document produced by the Public Transport Authority. It is not a document that is approved or reviewed by government, or used by government for future investment decisions. The document is currently undergoing review and will be updated as a matter of course.
