

WATER CORPORATION — STRATEGIC DEVELOPMENT PLAN — PRESSURE MANAGEMENT  
MEASURES

3270. Mr D.J. Kelly to the Minister for Water:

I refer to page 18 of the *Water Corporation's Strategic Development Plan 2014/15 to 2018/19*, and I ask:

- (a) which pressure management measures have been delayed in order to meet the \$16 million saving measures;
- (b) in each case, what was the original timeline for completion; and
- (c) in each case, what are the new completion dates due to the delay?

**Ms M.J. Davies replied:**

- (a)–(c) The figures outlined on page 18 of the Strategic Development Plan are indicative and used for planning purposes only.

The Water Corporation's capital investment program is regularly reprioritised due to changing consumption patterns, population growth and unforeseen circumstances.
