

SPORT AND RECREATION — BEAGLE BAY SWIMMING POOL

2987. Ms J. Farrer to the Minister for Sport and Recreation:

I refer to the *Dampier Peninsula, Sport and Recreation Strategic Plan 2011* and the section regarding Beagle Bay, and ask within the Strategic Plan the following was recommended for Beagle Bay:

- i. Provision of a swimming and learners pool with a leisure water area on the site of the disused building adjacent to oval and hard court;
  - ii. Existing oval upgrade including; levelling, re-grassing, provision of bollards, maintenance and mowing program;
  - iii. Upgrading of roof over existing community basketball court and upgrading of power and lighting;
  - iv. Upgrade existing covered multi-purpose facility within school grounds including; power and provision of timers to manage lighting;
  - v. Future planning and models for providing infrastructure and services should include minimum standards for individual communities i.e. grassed reticulated playing field, hard court area and basic equipment (all DP communities); and
  - vi. Upgrade playground facilities and adopt an ongoing maintenance program:
- (a) has the Department provided funding for any of the items listed, and if not, why not; and
  - (b) has the Department provided funding for any of the items listed?

**Mr T.K. Waldron replied:**

- (a) No, there have been no applications to develop Sport and Recreation Infrastructure.
- (b) Refer to (a)
