

GOVERNMENT VEHICLES, HANDS-FREE MOBILE PHONE DEVICES

983. Hon. C.L. Edwardes to the Minister for Police and Emergency Services

I refer to the answer to question on notice No. 421 in respect to mobile phones, and ask in view of the fact that question without notice No. 126 does not in any way address the core elements of question 421 and the State Government's policy commitment of accountability, openness and inclusiveness to the public of Western Australia; will the Minister provide a detailed response to question 421?

Mrs ROBERTS replied:

Vehicles within my agencies are generally fitted with radio communication.
