

ABORIGINAL EDUCATION STRATEGY 2010–2014

1041. Hon MATT BENSON-LIDHOLM to the minister representing the Minister for Education:

I refer to question 1022 to the minister on 25 November 2010 to which the minister indicated that the Aboriginal education strategy was not received by the minister's office in 2008.

- (1) When did the Department of Education forward the plan to the minister's office?
- (2) When was the received document receipted by the minister's office?

Hon PETER COLLIER replied:

I thank the member for some notice of this question. I have been informed that the minister is in a meeting and has not yet been able to approve the answers.

While I am on my feet, the question asked earlier by Hon Linda Savage has now been signed off by the minister and I am told that it will be arriving shortly. If it arrives before the end of question time, I will provide the answer.
