

KWINANA FREEWAY — WEEKDAY TRAFFIC COUNT

291. Hon NORMAN MOORE to the parliamentary secretary representing the Minister for Planning and Infrastructure:

I ask this question on behalf of Hon Simon O'Brien.

Will the government now provide the average weekday traffic count on Kwinana Freeway for February 2008; and, if not, why not?

Hon SALLY TALBOT replied:

I thank Hon Norman Moore for the question on behalf of Hon Simon O'Brien. On behalf of the parliamentary secretary representing the Minister for Planning and Infrastructure, I provide the following response by the Minister for Planning and Infrastructure.

Main Roads undertook traffic counts on Kwinana Freeway in March 2008. The counts correspond to the locations of earlier 2006-07 count data that was provided in response to question 83 on 27 February 2008. I seek leave to table the rest of the answer and have it incorporated into *Hansard*.

Leave granted.
