

ATTORNEY GENERAL — UNFAIR DISMISSAL CASE

806. Ms M.J. DAVIES to the Attorney General:

I have a supplementary question. Is there anything that prevents the Minister for Health from voluntarily providing evidence to the Public Service Appeal Board?

Mr J.R. QUIGLEY replied:

I do not provide legal advice to the Deputy Premier; Minister for Health. He is represented in these proceedings and he will get his advice from the lawyers engaged to give him advice.
