

SIR CHARLES GAIRDNER HOSPITAL — RADIOGRAPHER POSITIONS

915. Hon MATT BENSON-LIDHOLM to the minister representing the Minister for Health:

I ask this question on behalf of Hon Ed Dermer who is out of the house on urgent parliamentary business.

I refer to the recently advertised positions for radiographers at Sir Charles Gairdner Hospital.

- (1) How many positions were filled as a result of the advertisements and did the positions go to existing Department of Health staff or to people from outside the Department of Health?
- (2) Were any positions filled which were subsequently subject to appeal; and, if so, what was the reason for the appeals and who lodged them?
- (3) Does the candidate whose employment was subject to appeal remain contracted to the Department of Health; and, if so, what is the yearly package value of that contract?
- (4) Has the Department of Health readvertised that position and appointed another person; and, if so, what is the yearly package value of that new contract?
- (5) Has the supervisor overseeing the appointments stepped down; and, if so, why?

Hon DONNA FARAGHER replied:

On behalf of the Minister for Mental Health I thank the member who asked this question on behalf of Hon Ed Dermer, who is out of the house on urgent parliamentary business! The following information has been provided.

- (1) Five positions were advertised and three were filled by outside candidates.
- (2) There was no appeal but a breach was lodged against the selection process. The breach was lodged by a current employee.
- (3) Yes. The position level is P2 HSU with a salary range of \$85 512 to \$91 070.
- (4) No, it is still under the breach process.
- (5) No. The supervisor, in accordance with their own plans, has since retired.
