

WHITFORDS TRAIN STATION — CAR PARKING FACILITIES

51. Hon RAY HALLIGAN to the parliamentary secretary representing the Minister for Planning and Infrastructure:

I refer to question without notice 546 of 28 June 2007 and ask —

- (1) Is the provision of additional feeder bus services and new east-west services to train stations in the northern corridor being considered in the context of the 2008-09 state budget?
- (2) If so, which additional services are being considered?
- (3) If not, why not?

Hon SALLY TALBOT replied:

I thank the member for some notice of this question. On behalf of the parliamentary secretary representing the Minister for Planning and Infrastructure I advise the house that the minister has provided an answer in the following terms —

- (1) Each year, additional bus services are considered as part of the budget process. Routes in the northern corridor are included in this year's deliberations.
- (2)-(3) Not applicable.
