

MINGENEW PRIMARY SCHOOL

**768. Hon BARRY HOUSE to the Minister for Education and Training:**

Some notice of this question has been given.

- (1) Will the Mingenew Primary School be allocated an additional 0.5 full-time equivalent teacher time to address exceptional circumstances in their school, such as -
  - (a) the principal spending two days a week in a classroom making him unavailable for other administrative and educational duties; and
  - (b) the need for a double-split class involving 33 students in three year levels?
- (2) If not, why not?

**Hon LJILJANNA RAVLICH replied:**

I thank the member for some notice of this question.

- (1) No.
- (2) No application has been received from the principal for additional staffing.
