

RECYCLING FACILITIES — ANNUAL SURVEY

**872. Hon SALLY TALBOT to the minister representing the Minister for Environment:**

I refer to the minister's advice to this place on 3 May 2012 that the annual survey of all recycling facilities in Western Australia would be completed by the Department of Environment and Conservation in September 2012.

- (1) Has the annual survey been completed; and, if not, when will it be completed?
- (2) Is the minister aware of the results of the survey?
- (3) Is the minister satisfied with those results?
- (4) Has the survey been made public; if so, where; and, if not, why not?

**Hon HELEN MORTON replied:**

I thank the member for some notice of the question.

- (1) No. The Department of Environment and Conservation relies on data from two national industry surveys to complete the data set, which are yet to be received.
- (2) No.
- (3) Not applicable.
- (4) No. The report will be available on the Waste Authority's website at [www.zerowaste.wa.gov.au](http://www.zerowaste.wa.gov.au) once it is finalised.
