

SHIRE OF BROOME, CLINIC DEVELOPMENT IN RESIDENTIAL AREA

726. Hon. C.L. Edwardes to the Minister for Planning and Infrastructure

I refer the Minister to the recent decision by the Shire of Broome not to allow a clinic development in a residential area, because it did not comply with the Town Planning Scheme and ask: -

- (a) has an appeal been lodged against the Council's decision;
- (b) if yes, who lodged the appeal, on what date and on whose behalf; and
- (c) when will the appeal be determined?

Ms A.J. MacTIERNAN replied:

- (a) Yes
- (b) Planning Consultancy 'Rural Urban Planning & Design' has lodged the appeal on behalf of the Department of Housing and Works, on 31 January, 2003;
- (c) I am advised that the Shire of Broome reconsidered its previous refusal and has now decided to grant conditional approval to the proposed renal dialysis outpatient hostel. Accordingly, I expect that the appeal will be either withdrawn or used to negotiate over conditions imposed on the approval. I am yet to be advised on this matter.
