

CORAL BAY, BOATING, REVIEW

525. Mr R.N. SWEETMAN to the Premier:

I have a supplementary question. Given the concerns of the Shire of Carnarvon and the local community, will the Premier now review the issue of boating in Coral Bay as requested by the shire and the Progress Association of Coral Bay?

Dr G.I. GALLOP replied:

We will not reverse the decision on this. A decision has been made and the member knows that.

Mr C.J. Barnett interjected.

Dr G.I. GALLOP: The alternative location for the boat ramp facility -

The SPEAKER: Order! I call the Leader of the Opposition to order for the second time.

Dr G.I. GALLOP: The alternative location, which was in North Bills Bay, was totally unacceptable on environmental grounds and there will be no going back to an unacceptable position.
