

ELECTRICITY — WAGERUP CO-GENERATION FACILITY

200. Hon SALLY TALBOT to the Leader of the House representing the Minister for Energy:

- (1) For how many hours did the Wagerup co-generation facility run in each of the years from 2004 to 2010?
- (2) For how many hours in each of these years was distillate used?

Hon PETER COLLIER replied:

I thank the member for some notice of this question.

- (1) In 2010, the facility operated for 71 hours; in 2009, 217 hours; in 2008, 692 hours; and in 2007, 498 hours. Figures are not available for the years 2004 to 2006.
- (2) The Independent Market Operator cannot ascertain this from the data available.
