

GOVERNMENT DEPARTMENTS AND AGENCIES, MANAGEMENT INITIATED REDUNDANCIES

1090. Hon. C.L. Edwardes to the Premier

I refer to the article in *The West Australian* of 15 February 2003, entitled 'Gallop's golden gags cost us \$8m' and ask -

- (a) of the Public Servants listed in the article who were sacked under 'Management Initiated Redundancy', on what date was each contract entered into;
- (b) what was the duration of each contract entered into;
- (c) on what date was each contract due to be completed; and
- (d) in respect to each of the 59 sackings under 'Management Initiated Redundancy' will the Premier provide an explanation as to the reason?

Dr G.I. GALLOP replied:

- (a)-(d) None of the public servants to which this article relates to was sacked.
