

EDGEWATER TRAIN STATION — UPGRADE

1479. Mr A.P. O'Gorman to the Parliamentary Secretary representing the Minister for Transport

- (1) When will the upgrades to Edgewater train station take place?
- (2) What will be the cost of the upgrades?
- (3) When will the upgrades be completed?
- (4) Will the upgrades include a lift from the overpass to the platform?
- (5) Will additional parking at Edgewater train station be included in the upgrades?

Mr M.J. COWPER replied:

- (1) The program for the upgrade works at Edgewater Station provides for the tender to be awarded by the end of 2009, with the works expected to be completed by June /July 2010.
- (2) Cost is estimated at \$6 million.
- (3) Refer to (1) above.
- (4) The current scope of the project includes a lift from the overpass to the platform.
- (5) No. The Public Transport Authority has already provided an additional 160 car bays as part of the Better Transport Program. The station upgrade program does not include further car parking works.
