

OCEAN REEF ROAD AND TRAPPERS DRIVE, TRAFFIC LIGHTS

Petition

Mrs C.L. Edwardes presented the following petition bearing the signatures of 727 persons -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say that traffic along Ocean Reef Road and Trappers Drive has reached such a volume as to cause difficulties at the junction of the two thoroughfares.

Since the beginning of 2002, there have been seven accidents at this particular junction, apart from numerous near-misses as motorists risk their own and others' safety in their efforts to cross oncoming traffic.

Accordingly, we call on the Minister for Planning and Infrastructure to provide traffic lights at this junction, similar to those provided at the junction of Whitfords Avenue and Kingsley Drive.

[See petition No 293.]
