

TRANSPORT — LEVEL CROSSINGS — FREMANTLE LINE

1627. Hon Tjorn Sibma to the minister representing the Minister for Transport:

Regarding level railway crossings on the Fremantle line, and I ask:

- (a) for each level crossing, please indicate on how many occasions daily the boom gates are activated during the work week; and
- (b) for each level crossing how many cumulative minutes per day are the boom gates closed during the working week?

Hon Stephen Dawson replied:

In the working week starting 4 September 2023, the Jarrad St, Salvado St, and Victoria St level crossings closed an average of 135; 118; and 137 times per day, for an average cumulative closing time of 218.7; 118.7; and 247.2 minutes per day respectively.
