

**DENHAM, MARINA DEVELOPMENT**

*Petition*

**MR R.N. SWEETMAN** (Ningaloo) [12.01 pm]: I present a petition from the good folk at Denham as follows -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned reject the Island Marina known as Denham Quay's as proposed by Mr Graham Robertson of RC Developments Pty Ltd.

The location of the Island Marina in the Bay adjacent to the Denham town site on what is currently Crown Estate has serious implications for the aesthetic, environmental and recreational values of this area.

Now we ask that the legislative Assembly and in particular the Honourable Allanah McTiernan, Minister for Planning and Infrastructure intervene in this matter urgently to protect and preserve this unique and beautiful reserve. In the interest of the Denham town folk and Western Australian Community; and your petitioners in duty bound will ever pray.

Mr Speaker, I certify that the petition conforms to the Legislative Assembly standing orders and it bears 184 signatures.
