  - (a) has a new layout for the development in the Greenpatch been prepared other than the one presented in Structure Plan 11453P-SP-04B Lots 9105, 9076, 8019 Dalyellup;
  - (b) if no to (a), why is this development's layout depicted in the supporting documents of the clearing permit application;
  - (c) if yes to (a), will the Minister table a copy;
  - (d) if no to (c), why not;
  - (e) if yes to (a), has an updated Structure Plan been submitted to the Shire of Capel on behalf of the Department; and
  - (f) if no to (e), when is it anticipated it will be?
